\*Based on a fourteen (14) day advance with one (1) payment.

**ELECTRONIC CHECK CONVERSION AND RETURN CHECK POLICY:** When you provide a check as payment, you authorize us either to use information from your check to make one-time electronic fund transfers from your account or to process the payment as a check transaction. With electronic fund transfers, the funds may be withdrawn from your account as soon as the same day your payment is processed. Your check will not be returned to you by your financial institution. In the event we deposit your paper check and it is returned unpaid for insufficient or uncollected funds, we may re-present your check electronically. In the ordinary course of business, your check will not be provided to you with your bank statement, but a copy may be obtained by contacting your financial institution.

**CUSTOMER NOTICE:** A single payday advance is typically for two to four weeks. However, borrowers often use these loans over a period of months, which can be expensive. Payday advances are not recommended as long-term financial solutions.
